WHAT REALLY MATTERS TO YOU?

Check the top three 3 areas that are most important to you, and then write a note about why they are so important.

Aspect	Important	Define what this aspect means to you, and describe why it is so important to you.
Community	<i>(check top 3)</i>	<i>(For example: Money is important to me because I need to make enough income so that none of my children have to worry about paying for a great education.)</i>

Level Up

You've just ranked what is important to you. But, what about times when these three things were in conflict with each other, which did you choose, and why?
